Hasnt been used in 6 months or so because of an issue we think with the power supplyupon turning the game on, tickets automatically and endlessly print out from each side. There may or may not be other mechanical issues in addition to the typical cosmetic wear and tear that you would expect to find in a game about this age. Locks and coins mechs are not included. Ticket dispensers will be. ICE CYCLONE The game works sporadically so we havent had it on the floor in 6 months or so.<http://airholic.com/UpFiles/WebEditorFiles/cuisinart-ice-20-cream-maker-manual.xml>

We suspect an issue with the power supply we think. Tickets print out very very slowly, like its not getting enough power. Could also be a problem with a fuse or fuses. Sold as is. Probably best for parts or repair if you know what youre doing. Locks and coin mechs are not included. Ticket dispensers are. Local pick up only. Of full metal construction, the cranes are robust and durable to the extreme, they are all finished in bright colors and these great Mini Cranes can be custom themed to your requirements at very reasonable cost. Features include a new claw, crane wagon and new electronics package. Players simply press the button on the chameleons back to initiate his slurping tongue to try and knock down as many rotating bugs as they can in the allotted time to win tickets. The Smart Candy Crane has been a proven moneymaker for years in a variety of locations worldwide. This touchscreen game from King.com and Adrenaline is very popular with females of all ages, and comes with prize redemption features. Players must switch and match their way through 15 different game levels in this fun game. Candy Crush Saga comes in the familiar Adrenaline cabinet, which is guaranteed to attract attention anywhere. Of full metal construction, the cranes are robust and durable to the extreme, they are all finished in bright colors and these great Mini Cranes can be custom themed to your requirements at very reasonable cost. If they successfully balance the capsule into one of the three holes, they win the merchandise within the capsule. Once a capsule has dispensed, the automated hopper above the play field releases a new capsule. The hopper can store up to sixty capsules. The game autopercentages based on the operators initial settings. Difficulty is expressed through the robot arm control, as difficulty rises the arm becomes less stable. Capsule Factory's attractively decorated Pac Man theme and small footprint make this game a winner. Watch the Captain reach his claw into his treasure chest for you. And apart from the great looks and all round visibility of the merchandise, the Carnival Crane is very operator friendly with all the great features of the ICE built cranes, plus a unique garage door style opening and removable podium to allow easy access through doorways. As with all ICE cranes, the Carnival Cranes color and graphics can be customized for your location, and only the best components are used in construction. A popular pick for operators, the Carnival Crane is taking crane earnings to an even higher level in many markets. Just fill it up with some good attractive merchandise and players will be lining up to get at it. Great news for those who were thrilled with the Quattros income figures and are on the lookout for a new winner and great news for those who haven't enough space for the Quattro Crane. One side is a cat, the other a mouse. You can link up to 8 games for group play. Great sound effects and very colorful graphics. Adjustable timer and ticket awards. Hit one of the moving mice for higher score. Knock down all fixed position mice and win JP. Catch N Grab is very a unique entertainment choice for both families and kids in arcades, malls, restaurants and many other locations. CATCH IT, GRAB IT and WIN IT. The graphics are loaded with fun little critters and asks players to flip a puck to match different combinations of bugs.

Catching three caterpillars wins the big ticket payout. The game comes standard with a Deltronic ticket dispenser, BayTek's full chaselight package, and a complete stereo audio package for great sound. Great cabinet design and very colorful graphics package. The game play is extremely simple but very addictive. Try to catch various colored eggs in an allotted time to win tickets. Its time to sort the eggs. Popular farm theme, ideal for small children. Cute sound effects complement the funny video action onscreen for fun times. Fun designed ball toss redemption games for little ones. Vibrant Lighting Effects and Cool Pirate Themed Voices. Chuckles, a brightly colored and friendly character appeals to children with his cheerful circus sound effects. Children accumulate as many points as possible by feeding the colorful balls to Chuckles while his head rotates side to side. The object of the game is to accumulate points by placing lightweight colorful balls into the Chuckles mouth as he rotates his head from side to side. The more points a player accumulates the more tickets earned. Tickets are dispensed according to the tipped bar value. Attractive design with Jackpot billboard. Multiple bonus features and shining LED light effects. The Classic American Road Trip is a dedicated ticket redemption coin pusher with a bonus feature themed around the famous Hollywood to Chicago Route 66. If players can light up the iconic locations, they receive a bonus splash of coins and win more tickets. Players that reach the finish win up to 500 bonus tickets as well. The Clean Sweep Cranes have all the same great features that Smart Industries has been offering for nearly 2 decades. This crane will allow operators to make cranes part of their carnivals, fairs, theme parks, or any outdoor event. It also gives operators the chance to place a crane outside prime restaurants, stores, or mall locations where they couldn't get enough space before.

Based on the Clean Sweep Line of Quality Smart Claw Cranes, the new Clean Sweep Outdoor Crane has a Waterproof and High Security Metal Cabinet plus new weatherproof decals. It's the only one of its kind. By switching out the arm attachment, the game can change from a claw game that picks up

prizes to a game where players have to tip or kick a prize to win it. Other attachments can pick up prizes with a suction cup or grab things with a hook. The grand prize is won by using a keypad to enter the winning 3digit code. Its time to take your standard rotary revenues to the next level. Code 3 is the only rotary game for todays market and is available now. Attention Operators. Code 3 comes equipped with two removable prize containers for quick field loading. Remove the empty containers and simply rotate with the full ones. He holds four arms which rotate around in a circle and move up and down. Each arm represents a different ticket value which are set at different difficulty levels. This is the most unique coin drop game in the industry. The clown laughs and taunts the player to try again. This adds a whole new dimension to the game. Now, not only can the player continue to test their skill, but they have 60 seconds to make another shot. If any player successfully makes 5 shots, the Bonus Wagon lets down a cascade of coins similar to the effect of a coin pusher paying out a jackpot. The jackpot is paid out in bonus tickets. Coin Circus is completely operator adjustable for both bonus payout and individual arm ticket values. Its compact cabinet makes it fit in any location and can be set for no ticket operation for those locations that do not operate redemption. Coin Circus is more than just a redemption game. Exciting and fun to watch as the balls zigzag through pins on the way down the playfield, tickets are awarded when players make balls drop through the colored holes at the bottom, but if they aim the ball to pass through a moving target, they get a double score.

Tickets are awarded when players make a ball drop through the colored holes, but if they aim the ball to pass through a moving target, they get a double score. Players press button to shoot the ball, and tickets are awarded when they make through a color hole. Timing is the key ! Players must follow the flippers to guide the ball in the direction they desire. And to make a Double Score, players must aim the ball to pass through the challenging moving target. BSRs newest fastaction game is designed for all ages, with adjustable time and scores. Game play includes a chance for progressive bonus and a bonus jackpot. Comet Catcher has a super graphics package, including a 3D volcano that shoots out comets and a 3D sculpture of the Comet Catcher popping out of the top of the game. As comets fly out of the volcano, the player moves their net to catch as many comets as possible in this actionpacked game. The Comet Cranes special effects, custom audio tracks, highly stylized cabinetry and bright lighting all combine to deliver a uniquely innovative skill crane with full crane selfdiagnostics and bookkeeping, all displayed on an internal LCD display control panel. Players step up to either the red or blue checker player station, and can play either solo against the computer or headtohead. Players take turns dropping checkers into the grid using the arrow buttons and try to connect 4in a row vertically, horizontally or diagonally to win and enter the bonus round. In bonus rounds, players can win up to 500 tickets by hitting the drop button just right. With its attractive presence, fun and competitive 2player game play, and the familiarity of the Hasbro brand, The Connect 4 is sure to be a great addition to any arcade. Everyone young and old loves the nostalgic game play of Connect 4 and the spirit of family fun with Hasbros classic game of vertical checkers, brought to life in this new arcade redemption game in a smaller size.
